

INTERNSHIP OPPORTUNITY, SUMMER 2023

ABOUT WSP

As one of the world's leading professional services firms, **WSP** exists to future-proof our cities and environment. We provide strategic advisory, engineering, and design services to clients in the transportation, infrastructure, environment, building, energy, water, and mining sectors. Our 66,000 trusted professionals are united by the common purpose of creating positive, long-lasting impacts on the communities we serve through a culture of innovation, integrity, and inclusion. Sustainability and science permeate our work. To find out more, visit www.wsp.com

INTERNSHIP OPPORTUNITY

Do you have the desire to learn? The drive to excel and thrive in an engaged, collaborative environment? At **WSP**, we love harnessing ideas, sharing insights and achieving success. As a Summer Intern, you'll gain access to our future-shaping projects, global experts and inclusive culture.

We provide **Internship Opportunity** for **Engineering Interns** to join our **Mining & Earth Sciences Group** for a period of **2 to 4 months** in summer of **2023** at our **project sites in Turkey** and/or in our **Ankara office**.

YOUR PRIMARY RESPONSIBILITIES WILL INCLUDE:

- Working within our Mining & Earth Sciences Group,
- Performing office & field assignments,
- Assisting with baseline data collection, data compilation, assessments, and reporting, and
- Assisting with the preparation of project deliverables,

REQUIREMENTS:

- Working towards a bachelor's degree in Geological / Hydrogeological Engineering,
- An active focus on health and safety,
- Ability to travel during the internship,
- Comfortable working in remote settings,
- Ability to work both independently and within teams,
- Strong analytical skills including the ability to complete engineering calculations and analyses, and
- Written and verbal communication skills in English.

CONTACT:
